Subject: Certification Audit Results

This memo is to provide notification that your company's calibration system has been audited and approved to provide calibration services for the Lockheed Martin Aeronautics Company. This approval is based on data collected utilizing our AC-2 criteria.

This approval will remain in effect for a period of three years beginning on the 31st of July 2023 and ending on the 26th of July 2026.

Lockheed Martin-Aeronautics Company-Fort Worth reserves the right to:

1. Request a re-certification at any time.
2. Cancel this approval at any time.

ATP Inc. shall notify LM-Aero-FW of any changes regarding:

1. Changes in company ownership or location.
2. Changes in or loss of capability.
3. Changes to Quality System or Manual that would affect calibration services.
4. Loss of certification(s) pertaining to your quality or calibration system.
